

ATIPPA Statutory Review Committee 2020
The Honourable David B. Orsborn
Committee Chair

News Release

January 29, 2021

Due to the caretaker convention constraints upon the incumbent government, the ATIPPA Statutory Review hearings will be paused until after the provincial election. Following the election, the Chair will schedule hearings for presentations from the ATIPP Office and the Department of Justice and Public Safety (on behalf of the Executive Council and government departments). These presentations will include any submissions on the roundtable (sections 33 and 39) issues. A hearing for the response from the Office of the Information and Privacy Commissioner will also be scheduled at that time.

When available, the schedule will be posted on the ATIPPA Review website:

The webcast of the hearings will be available to stream live on the ATIPPA Review website. Recordings of aired hearings and transcripts are available on the website to view at any time.
